

Dear Tenant,

As stated in your lease, neither the owner nor Sloane Realty carries insurance for your personal property. The owner's insurance policy covers the building structure, but does not cover your personal belongings - your furniture, wardrobe, appliances, television - anything that you have moved into the property. You need a renter's policy to cover your personal possessions. Renter's Insurance protects you from loss due to theft, fire, personal liabilities and water damage. It is in your best interest to explore the costs and availability.

Sign and return this form either with your upcoming rent payment or at:
P.O. Box 13223 Charleston, SC 29422

Thank you,

Sloane Realty

I have received information concerning renter's insurance from Sloane Realty.

_____ I have decided **NOT** to carry renter's insurance and I understand that the current insurance does not cover any of my personal property nor any liability claims resulting from a guest being hurt on the property.

_____ I have decided **TO OBTAIN** renter's insurance. Here is my information.
